Magimix

Ideal for the average family, a space saving and versatile food processor with all the functions you need every day in the kitchen. This is a powerful food processor that will mix, grate, slice, chop, whisk, knead and liquidize your ingredients. Along with the main bowl it has an integrated mini processor for processing smaller quantities such as dips, mayonnaise or baby food, while the midi bowl can be used for slicing and shredding ingredients. There's only one speed, which operates quietly at the optimum speed, and the ever useful pulse function.
